

# THE McCOURT FOUNDATION PRESENTS WHAT'S NEW IN MS RESEARCH & PATIENT CARE

A Free Update for Persons Living with MS, Caregivers, Family & Friends

Dr. Howard Weiner, co-Director of the Ann Romney Center for Neurologic Diseases,  
Dr. James Stankiewicz, Clinical Director at the Partners MS Center and  
Dr. Maria Houtchens, Director of Women's Health Program at the Partners MS Center,  
will give you the latest insights in understanding Multiple Sclerosis.

Howard Weiner, M.D.  
BWH

James Stankiewicz, M.D.  
BWH

Maria Houtchens, M.D.
